WYH Receives $25,000 Grant from KeyBank

KeyBank President & CEO, Beth Mooney, announced that Whitney Young Health, along with 16 other non-profits in the Capital Region will be awarded grants, totaling up to $2 million. A $25,000 grant was awarded to Whitney Young Health.

We cannot thank KeyBank enough for their generosity and their commitment to help local non-profits succeed throughout the Capital Region. This grant will go towards funding our various services that will help improve patient care.

Man Loses 181 lbs. in Collaboration with Troy Health Center

For Wayne Hacker, 52, of Lansingburgh, losing 181 lbs. in one year would have been impossible to accomplish alone. With the help of Molly Ward, RD, CDN, CDE, and Ryan Marshall, FNP-C, at the Troy Health Center, the dream to live a healthier lifestyle became a reality. We interviewed Wayne to hear about how the Troy staff helped him through his journey.

This is his story.

WYH's New Dental Clinic Breaks Ground

Construction for our new dental clinic at 900 Lark Drive broke ground on April 10th. We're so excited for this new opportunity to expand our dental services and we will update you all on the progress each month.
